Ironwood Country Club is offering rental guests the opportunity to experience the Ironwood Community and the Club's amenities.

The "Sampler Package" offers guests special accommodations, rounds of golf, fitness and tennis center usage as well as dining experiences.

Set in the foothills of the Santa Rosa Mountains, above the City of Palm Desert, Ironwood offers guests a relaxing experience in a picturesque setting which is unforgettable.

Your visit, either as a first time guest, or a returning visitor, may help you plan your retirement future with one of the villas, townhouse or estate type homes offered within Ironwood or nearby neighborhoods.

Ford Properties is on site to answer questions on real estate or show you the diversity of homes available. Email [www.FordProperties.net](http://www.FordProperties.net) for more real estate information.

Your "Sampler Package" will offer you the "club-like" experience our members enjoy year round or seasonally, by having you mix and mingle at our Sunday Brunch and, our now famous, Thursday Night "Rodeo Drive" entertainment and dinner at The Club.

Accommodations are limited. For more information and reservations, call
