Try It, You'll Like it!

In order to familiarize guests renting in the Ironwood Community with our club, Ironwood Country Club is offering a temporary visitation program for a limited time. This "**Special Guest Program**" will provide renters, who will be here for at least 30 days, the ability to use the Club's facilities including the courses and clubhouse and attend functions and events as a "Special Guest of Ironwood Country Club".

This program will be through Ford Properties, other recognized rental agencies and by members renting their homes. **This offering is limited to one season per family.**

The offer is for a **one** month privilege with the guests paying a monthly fee. Guests who wish to play golf will pay greens fees.

Sampler Program

Ironwood Country Club's **Sampler Program** will offer you the "club-like" experience our members enjoy year round or seasonally by having you mix and mingle within the Ironwood Community and enjoy all the Club's amenities during a one-week stay. The Program requires a 7 night stay – Saturday to Saturday.

The Sampler Program includes: 2 bedroom, 2 bath accommodations, two rounds of golf for each guest on each course, fitness and tennis center usage, Sunday Brunch, Rodeo Drive Thursday Night Entertainment, golf lessons and more.

The Stimulus Plan

The Stimulus Plan is designed to facilitate new members purchasing Proprietary Golf Memberships in the face of today's economic and real estate environment. The purchase price of a Membership utilizing the Stimulus plan is \$75,000.

The Stimulus Plan schedules the Initiation Fee to be paid over a 5 year period.

A candidate exercising this Plan will, upon acceptance by the Board, have all rights, privileges and obligations of club membership.
